A City Pass Ticket is valid from the time registered on the ticket you receive and only for the mobile phone number, for which you purchased it. You must have received your City Pass Ticket before boarding the bus, train or Metro. If you board the bus, train or metro before you have received your City Pass Ticket, you will be regarded as travelling without a valid ticket.

If your mobile phone runs out of power, or if you are otherwise unable to present your City Pass Ticket for inspection, your status is that of a passenger without a valid ticket. If you travel without a valid ticket, you must expect to be fined.

City Pass Tickets are valid for an unlimited number of journeys by bus, train and Metro within the period and fare zones 1-4.

You must board the bus, train or metro before the validity period of the City Pass Tickets expires. After that, the City Pass Tickets is only valid for continuing your journey within the fare zones for which it is valid; you cannot change buses, trains or metro.
